**Subject:** **Rebalancing of SPDR MSCI Australia Select High Dividend Yield Fund (SYI)**

The Product Disclosure Statement for the SPDR MSCI Australia Select High Dividend Yield Fund (ARSN 145 353 591) dated 20 September 2010, contained an undertaking that in the days leading up to a rebalancing of the relevant Index, the Responsible Entity would advise if there is expected to be a turnover of the Fund's portfolio of 10% or more, or if a stock with a weight of more than 5% is to enter or leave the portfolio.

Accordingly we wish to advise that the rebalance at the end of November is expected to generate one way turnover of approximately 12% of the portfolio. None of the individual security changes are expected to be more than 5%.
